Municipality of Apatin is situated in the north-western part of the Panonian plain in Bačka, on the left side of the Danube river (from 1367km to 1409.5 km, a length of 42 km), close to the border with Hungary and Croatia, near Sombor (17km away), Osijek (59km away), Subotica (75km away) and Novi Sad (96km away). It is a multinational and multicultural environment, where differences are nurtured and cherished. Through the territory of the Municipality passes the regional road R-101, connecting Apatin to Sombor and Bogojevo and extends to the border crossing with Croatia near Erdut, and local road Apatin – Prigrevica (comes to the main road M-18, Sombor – Novi Sad). Waterway of the Danube River is defined as the Pan-European Corridor VII, the natural road that connects 10 European countries. The rail network in the West Backa District includes four railway in operation: railway from Subotica through Sombor, Prigrevica, Sonta to Bogojevo (border with Croatia), from Bogojevo over Odzaci to Novi Sad, all for passenger and freight traffic. Due to its natural characteristics, climate and water resources, Apatin has a lot of potentials in the field of agriculture and development of spa, country and nautical tourism. Free Zone Apatin is one of the largest in Serbia. Depending on the project, investor is entitled to reduction of costs during starting period.
